Dear Parents:

It is time to have an Indian Education Committee (IEC) advisory meeting to gather input on the Title VI grant I submit on behalf of the school district. The grant is due in June and I need to meet with the advisory council for input and signatures before I take it to the board for approval on June 8, 2020 and then submit the application. It will be a little different this year because of the COVID-19 restrictions, so the meeting will be held over Zoom. You will need to have the internet and the Zoom app for you to be able to attend. It is imperative that I have attendance at this meeting so please respond to me if you can attend this Zoom meeting so I can send out an invitation. If you respond to susan.sharkey@colstrip.k12.mt.us it would be greatly appreciated.

I am looking to have this meeting on June 2nd at 6:00 p.m. if that works for you. Depending on who can attend I can adjust the meeting time. I am really flexible so whatever works for you, I can accommodate. We will need to get your signature on the attendance form so I will be sending JD Oldmouse around for signatures at a later date.

If you are interested in serving on this committee for the next school year, it would be greatly appreciated. We will meet at least three times a year.

I am looking forward to hearing from you. I appreciate you all and what you help us accomplish.

Sincerely,
Susan Sharkey
